These are directions to the University of East Anglia. The Sportspark is located on the University Drive as you enter the campus off Earlham Road. Sportspark has its own car park (free of charge to Sportspark users).

From London take the M11/A11; just outside Norwich take the A47 (Southern Bypass) in the direction of Swaffham; the University is signposted off at the next exit. If you are driving from the North or the Midlands, you can use the A47 via King's Lynn, or the new A14 as far as Newmarket and then take the A11 to Norwich. UEA is situated on the outskirts of Norwich, around two and a half miles west of the city centre, just off the Earlham Road (B1108) which is one of the main roads out of the city.

By Bus or Coach

National Express coaches run from all major cities in Great Britain to the Surrey Street Bus Station in the city centre. Buses run regularly from nearby Castle Meadow and St Stephen's Street in the city centre to the University campus.

By Train

Norwich is less than two hours from London by train and there is an InterCity link with the Midlands, the North of England and Scotland via Peterborough. Trains run from London Liverpool Street approximately every hour. The easiest way to reach UEA from the station is by taxi which takes approximately 15 minutes. There are regular buses direct to the University from just outside the station on nearby Thorpe Road, and a bus runs straight from the bus station to the University.
